TRIP TO RIPLEY'S SET FOR THURS 8/11

We are taking our annual trip to Times Square and visiting "Ripley's Believe it or Not!" Ripley's has many weird and funny exhibits on display and they give campers some opportunities to interact with them as well. Last year, the kids had a ball there! This trip was voted on by the campers!! The \$20.00 was collected and is past due. We will be leaving early so please send in your own lunch! There will be NO LUNCH at Fun Station. Just an FYI, Ripley's has a souvenir shop and it is extremely overpriced.

WHITE TEAM WINS THE 2016 COLOR WARS!!

This year, Color Wars took place at St. Joseph by-the-Sea H.S. FSDC was divided into red, blue, green, orange, black and white teams and many contests were held and points given out in some spirited competitions. We had an absolutely beautiful day for it—the kids had a ball!!

CELL PHONE POLICY

Parents, we are having an issue with children using their cell phones at camp. Initially, we told parents that if cell phones were off and in the child's bag...it wouldn't be an issue. Unfortunately, campers haven't listened to that so now we have told campers that NO CELL PHONES are allowed in camp. If you need to get in touch with your child, call us in the office or call/text Chris or Jen.

NOW ACCEPTING DEPOSITS FOR 2017

We are now accepting deposits for the Summer of 2017. All you need to do is send in a \$300 check made out to "Camp of Fun." (Please put your child's name in the memo) The deposit is 100% refundable before May 1, 2017. This will ensure that you will avoid any tuition increases that take place next year. To remain eligible, all 2017 tuition must be paid by May 1, 2017.

(We will not cash any checks until 9/1/16 so you can postdate the check)
